SYP Response:

I contacted our Crime Management System (CMS) Administrator for assistance with your request. She has provided me with the enclosed data and the following explanation of her search criteria/results:

I have included a count of offences recorded with a Domestic Incident flag, recorded on the CMS) crime register between 01-Jul-2016 and 31-Dec-2016 broken down by Home Office Offence class. Of this count, I have included a count of victims, broken down by Gender and Age and also Gender and Ethnicity.

Please note – we don't expect a count of offences to reflect a count of victims as more than one victim can be recorded on any offence.

I have based the query on the previous request 20170267 [referred to in the request]. The offence count differs slightly, however we would expect to see some difference as the data is extracted from the live system.
