Freedom of Information Request - Reference No: 20202184

REQUEST

Under the Freedom of Information Act 2000, and within the legal timeframe, please can you tell me:

1. The total number of police officers and police staff caught viewing pornography while on duty from October 12, 2016 to October 12, 2020?

2. Of that figure, how many were officers and what were their ranks?

3. What disciplinary action was taken against the officers and staff?

4. And how many of the offences were on a work device - e.g. laptop, computer, work phone?

5. If possible, can you also tell me where they were caught viewing the porn - e.g. in a police station or police vehicle?

6. And was the porn either videos or stills?
